With over 21 years of experience in the IT industry, I specialize in crafting intuitive and visually compelling digital experiences. As a senior UI/UX Designer, my work harmonizes aesthetic sensibility with functional clarity, ensuring every interface not only delights users but also drives business impact.

I have led the design and development of responsive web applications, e-commerce platforms, and CMS-based interfaces across a wide range of industries. My proficiency in HTML5, CSS3, Bootstrap, Tailwind CSS, JavaScript, jQuery, ReactJS, Webflow, Shopify, WordPress, and Magento2 allows me to translate design vision into pixel-perfect, cross-browser-compatible user-centered interfaces. With all these expertise I am passionate in crafting seamless user interfaces, optimizing performance, SEO principles, and ensuring cross-browser compatibility, mobile friendly, and a keen eye for design, pixel perfect implementations and a deep understanding of user research, accessibility standards, and seamless collaboration with cross-functional teams. Expertise in creating user flows, mockups, and prototypes to visualize and test designs.
